GOODBYE

or years we looked forward to the big day arrival. And when it comes we take a long look at our lives. We see days at school with homework and study. Some tests that were past and some that were failed. But what does that matter now? As they announce our names, we don't think of the hard work we have done. We think of the people we've met and the friends we've made. The good friends that over the years have grown to be our best. The laughing, the joking, and the smiles.That's what we remember! We think of the secrets we've shared and the hugs we have given. What matters now are the warm feelings of friendship and love, that are shown as a sparkle in our And a tear falls as a symbol of what really matters. This we remember, forever. — Jennifer Abati

WHEN WE FIRST

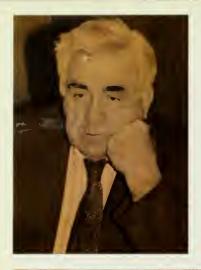

SAID "HELLO"

would like to dedicate this yearbook to two very special people, Mrs. Barbara Dickey and Mr.

DEDICA

Ralph Hudson. Both were dedicated individuals who gave selflessly of their the students of North Reading. They touched all of us in one way or another of saying thank you.

n a career spanning many decades, Ralph [Hudson] was a teacher, a department head and a principal. While science was his forte, he was ... a philosopher and historian." "... he has had a major hand in every good thing that has happened to education in North Reading for the past 27 years."

"Physically, he is a large and imposing man, but within that frame are some of the most subtly exquisite manifestations of God's grace. There is in Ralph a remarkable benevolence, a sense of fairness and justice, an intelligence that seeks after truth and beauty, a determination to meet responsibility at any personal cost, and an innocence (not naivite) that disarms the cynical and exposes the bigoted. Within Ralph there is limitless love. Ralph has no enemies, no detractors — only those who take him and embrace him for what he is: a noble man."

 Excerpted from a speech given by Dr. Francis X. O'Donahue at Mr. Hudson's retirement party.

knowledge, compassion, and most importantly, time to and can never be replaced in our hearts. This is our way

— Michelle Regan —

any of the students of the class of 1990 had the pleasure of knowing Mrs. Barbara Dickey. Loved by everyone, she was not only a teacher to us but a friend as well. She was one of the few people in the world who could see only the good in others, and we saw only the good in her. During a time when students needed someone to look up to and to help them grow, Mrs. Dickey was there. Her smiling face as she called "Hi Duckie" will live in our hearts forever.

Thanks Mrs. Dickey, we love and miss you, The Class of 1990

eep blue skies and brilliantly colored leaves converge with the streets and sounds of a small town. A community plagued with financial problems and disputes over school improvement, North Reading is not perfect. Like most places, there is crime and there is abuse. Aside from these ordinary configurations, you might wonder, "What's to see?"

A hidden, if not unknown, landmark is North Reading High School. Set back with its tired walls and sagging roof it stands, complete with 400 plus students attending. What is so special about this absurd, if not unattractive, structure? It's a place where dreams, goals, and memories are made. Personal pride and accomplishments, as well as failures, of thousands of students, past and present, are etched into those walls. The ups and downs of a growing student struggling with life to find a place in the world begins here. We are prepped, guided, and most importantly educated.

Although it seemed at times the building might collapse before reconstruction, it held strong. It has seen us through rallies, sports events, shows, dances, snow, and even a hurricane. Our school has never been described as fancy, grand, or complicated; but it has served its purpose with rewarding results.

We, the students, have learned not just our basic studies but the fundamentals to be the best we can be. So as we watched the ceilings and walls of our school torn apart, we could not forget what each part gave to us.

The school will no doubt be more attractive when the work is done. But it's not what's put into it, it's what comes out of it that we value the most.

So, N.R.H.S., the class of 1990 thanks you for the courage you gave us to make our dreams come true.

Heather Barletta

At the Heart of N.R.

Nobody can say for certain just when Europeans first crossed Bear Meadow, but in 1639 they were living in what is now Wakefield and Reading. These people had moved from Lynn, crossed the Ipswich River and settled.

In 1651, the General Court of Mass. Bay Colony had a meeting and granted the Town of Reading an additional "two-mile track." This track is the region that is now North Reading.

Aside from a branch of the Saugus Indian Tribe, John Upton was the first permanent resident in our town. In 1677, he got the rights to build our first saw mill on the Ipswich River. This was around the time that Sergeant George Flint Jr. and Mrs. Harriet Flint settled. By 1685 they were joined by such other families as John Eaton, Thomas Burt, Philip MacInigre, John Phelps, and Richard Harndea.

As a separate town, North Reading had certain standards that they had to live up to. Some were: the establishment of law, jails, and some form of industry, which at the time, had to be farming, as nothing else was practical.

The first jail had law enforcement headquarters were the first floor and basement of a large white house, located on the corner of Haverhill Street and Park Street right in the center of town. Once the residence of Willian I. Nichols, it was North Reading Town Hall until 1988. This

There are several sites that can be dated back to those old colonial times. Most of the houses of the time were quite large with many rooms and were usually painted white. The once residence of Charles P. Howard still stands on Park Street. Our beloved Flint Memorial Library was once the selling place of Warren A. Cample and Family. The residence of Mr. George Flint Jr. and Mrs. Harriet Flint however, is no longer standing.

There are some family names from that era which are still here today. Some of these founding family names are Hart, Damon, Goodwin, Gowing, and Prescott.

To summarize it all, we have a lot of history in our town. This few mile stretch which was once Indian hunting territory is now a small suburban community and, hopefully, has as meaningful a future as a past.

Hello

Staff

Dr. William E. Butler Principal

Administration And Faculty

The class of 1990 thanks all the administrators, counselors, teachers and other staff members who helped guide us through our hig school years. When we look back, along with the friends and event that mattered so much to us, we will also remember you. Comin from a small town, we got to know you fairly well. We knew you concerns, and the difficulties you worked under. We saw how yo coped with upheaval and change. We watched and we learned. Mor than just the lessons in the classrooms or the lectures in the halls, we learned from your dedication and commitment to us. We knew that we were never just a number or a name in a data bank. We are grateful that you cared.

ADVISORS

We would now like to thank two women, without whom this year-book would not have been possible. They listened to our opinions and took them under serious consideration before making decisions. They understood our views no matter how obscure; they listened to our comments, even when they weren't very complimentary. Although we had a diligent staff of well-intentioned seniors, it was they who taught us by example the most practical methods of producing a major school publication. Dealing with the job at hand is never easy, and when inspirations were at a low, their words and actions were our perfect role models. They truly made this happen, so a heart-felt "thank you" is issued to our respected yearbook advisors, Miss McBride and Mrs. Guy. We couldn't have done it without you!

Nothing Gold Can Stay
Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay.

of those three words reminds us of an awesome time. Dressed in our gowns and tuxes, we sensed magic in the air. The limos were lined up at the Thompson Country Club. We promenaded in a circle for the Grand March while our parents, friends, and neighbors took millions of pictures of us. The King, the Queen, and Her Court were soon announced; they all looked fantastic. As we danced in the arms of our dates, we wanted to "Hold on to the Night," forever.

he 1989 season had many ups and just as many downs. An undersized team in a league of powerhouses, we struggled and battled for respect on the gridiron. The team was relentless, grinding it out daily on the practice field while they tried to learn what it took to win the game on Saturday.

We learned that the only way to succeed is to sacrifice. We learned that what you need to win is teamwork. And mostly we learned the true value of pride, dedication and tradition.

November 26, 1989 — the final game of the season — the Thanksgiving Day battle. This would be the last time we would step on the field as a team. The seniors pulled together on that icy field and made our coaches, our parents, our school, and mostly ourselves proud. We ended our years together with an incredible win, beating Lynnfield 28-14. It was a game and a season we will never forget.

he members of the 1990 Powder Puff team all share unique memories. We could never forget the many practices we had to endure. From the endless sprints to the hurdle stretches in the mud, whether it was 20 or 60 degrees, rain or shine, we all tried our hardest. We will always remember our coaches: Scott Demetri, Tom Encamacao, and Rich DeStefano, who donated their time to teach 40-plus rowdy girls the game of football. The captains: Stacie (Hazel) Forbes, Jodi Gerardi, Kelly Nolan and Karen Thorn kept the team's spirits high when the mud and cold were at their worst. When the big day arrived, we came up short but worked hard and played well. We may have lost the game, but we showed true North Reading spirit and had the time of our lives.

Football Cheerleading

The 1989 Football season was great. We had our fun decorating the locker room and giving the team candy, cheering them on in the games, and decorating the seniors' houses the night of the rally.

We didn't win too many games, but we won the most important game of the season; the Thanksgiving Day game. Although it snowed and we played Saturday instead of Thursday, we all kept up our spirits and we were psyched to win.

The squad really came together this year. Despite the problems we had throughout the season, we were rewarded for all of our hard work by placing third in the CAL Cheering Competition, and Robin McDonough won All-Star honors. "Blame it on the rain!"

Golf

This year's golf team was the best in ten years. The team posted a 9-7-2 C.A.L. record. Derek Ross returned at the number 1 spot. Justin Heos was number 2 but performed quite well. The three through six spots varied from match to match. Getting the job done here were seniors Geoff Neiley, Brendan Thirkell, Jimmy Calvino, Matt Dyment and junior Matt Byrnes. The 1989 Volleyball team had an amazin season. Time after time, we came from th edge of defeat and ended up going farthe than any volleyball team in North Reading' history. We were Division II Eastern Mas-Champs, and became the first N.R. girl's tean to make it to a state final. Co-Captain Shannor O'Donnell (Shoo) was voted All-League and Marion McNabb (Chief) won All-Star honors Co-Captain Karen Delamater (Dela) was a her best during the tournament. Skye Stewar and Cheryl Lundgren were unbelievable or defense and Michelle Regan's (Barbie) fee helped her set an excellent offense. Jen Abat and Kim Nadeau (Nadsie) gave their best and kept everyone's spirits high. We owe our success to our coach, Mrs. Hill, who never los faith in us. (Special thanks to all of our energetic fans, especially Brian Magnani and Keith Landry. Despite a small case of overenthusiasm, we appreciate the support. We couldn't have done it without you guys!)

Boys Soccer

The Booters had an outstanding season this fall. Our final record was 14-4-1. We experienced many happy moments and not so many sad moments. We beat Prouty and The MASCO Chieftains 2-1 for the first time in the 20 year soccer history. We rolled over Lexington Christian in the states. We will not forget the C.A.L. Championship we won in '88. We will always remember Gary and The Georgetown Royals (how they were such a thorn in our sides) and The Knights of North Andover.

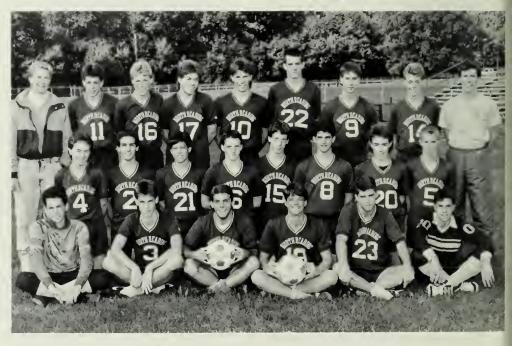

We will miss those nightmare double sessions and those 7:30 A.M. practices. (Or will we?) We won't forget the fun times we had at practices and games. The 6th REICH defeated The Gladbags for the World Cup Championship. Nice try Armpits. Quotes like: "Guys, stay over the ball; keep your head down!" "Power before accuracy!" "H.A.S.," "Move!" "On The Line!" "When are those sprints going to end??" "Get your head out of your ?@*!" "What a Nightmare," "The Defense rules!" "You guys are lazy, no, you're fat and lazy!" "Trash barrel," and "Over and Back 15 times," will live forever. We learned to win and lose as a team. We thank Coach B and Coach D for every-

First row (I-r): Bobbie Emerson, Liz Neily, Capt. Alicia Hidalgo, Capt. Sue Hayes, Diane Specht, Amy Guy; Second row: Jessica Stark, Maura Tobin, Dina Burke, Stacie Mawn, Nicole Gaspar, Caroline Guy, Amy Dill; Third row: Coach Boutwell, Jen Boles, Bridget Tobin, Amy Bartkin, Chrissie Butler, Meg Tobin, Bethanie Boccelli, Coach Guy, Coach McBride.

The Hornets finished the 1989 season with a 7-9-1 record. The team was lead by five seniors: Jen Boles, Amy Dill, co-captain Susan Hayes, co-captain Alicia Hidalgo, and Meg Tobin.

The Hornets' best games were played against lpswich and Masconomet. In the lpswich game, the Hornets came back from a two goal deficit to win 4-2. The Hornets played their best game of the season against Masconomet. Despite losing 3-0, the girls played their hearts out. Overall, the season was much improved from 1988.

The graduating seniors thank all their dedicated fans and wish good luck to the 1990 team. — Susan Hayes —

Girl's J.V. Soccer — First row (I-r): Christina Alves, Laura Alves, Jen Hickey, Lisa McAuliffe, Gillian Casey; Second row: Jill Tweedlie, Amy Stackpole, Donna Paparo, Cindy Amirault, Robin Accardi; Third row: Katie Wiklanski, Stacy Onessimo, Kim Demetri, Jane Rogers, Heather Williams, Sheila Verrico, Amy Ramsey, Coach McBride.

With half of its members being first-time distance runners, the North Reading Boy's Cross Country team did very well this fall season.

Led by Co-Captains Dave Shapleigh and Brian Magnani, we managed to win key meets such as those against Manchester and Lynnfield.

Also, winning the season's opening scrimmage against Austin Prep boosted the team's potential. Seniors Keith Landry, Jeff Bryson,

and Kevin Murphy all contributed to our victories. Although the team finished with a 3-7 record, some of the losses were close. Not only that, but the scoreboard fails to show that each individual achieved a personal record.

Cross Country

The Girls' Cross Country team, although lacking in numbers, proved itself on the course. Captain Kelly Nolan was out most of the season with injuries, but strong underclassmen participation kept the team's head above water and they finished the season with many fine performances.

First row (I-r): Diana Troy, Capt. Kelly Nolan, Karen Landry. Second row: Coach Cleary, Shannon Nolan, Karen Spires, Pauline Estey.

First row (I-r): Jeff Bryson, Jim Marshall, Capt. Brian Magnani, Capt. Dave Shapleigh, Keith Landry, Michael Penney; Second row: Coach Cleary, Eric Cofer, Jason Thurston, Tom Laudate, Scott Meninger, Kevin Murphy, John Braga, Emie Lai.

Boy's Indoor Track

This year's track team simply was the best in years. Finishing 5-5, the team was led by all-star jumper and 50-yard-dasher Matt Bairos. Captains Keith Landry and Dave Shapleigh, and senior Mark Bevilacqua also placed consistently in their respective events.

All stars other than Matt were Craig Ferrara, Mike Kieran, and Brian DiVasta.

The team's overall performance was outstanding in comparison to last year's 1-9 record. Big victories included those over lpswich, defending champion Archbishop Williams, and a tri-meet sweep over Austin Prep and Lynn Tech. Special thanks goes out to Coach Cleary and Ms. McBride for keeping the team running.

Third row: Shannon O'Donnell, Jennifer Abati, Amy Bartkin, Kristen Baldwin, Julie Curran, Jennifer Baldwin. Fourth w: Theresa Henchey, Karen Spires, Shannon Nolan, Diana Troy, Stephanie Geishecker, Alicia Hidalgo, Amy Stackpole.

This year, the girl's indoor track team had the highest participation in

its history as a NRHS sport. The team was led by seven seniors: Co-Captains Kelly Nolan and Michelle Regan, Jen Abati, Shannon O'Donnell, and new-comers Julie Curran, Alicia Hidalgo and Corinne Fiory. Kelly qualified for the states in the 50-yard-dash for the second year in a row, as did Dina Burke. Michelle and Alicia placed regularly in distance events. Jen and Corinne, along with Amy Bartkin, were an unstoppable team in the shot put. Shannon cleared 4'8" in the high jump and Julie mastered the hurdles in a matter of weeks.

The mile relay team of Kelly, Maura Tobin, Dina, and Nicole Gaspar represented the Hornets in the state meet at Harvard. Maura also qualified to compete in the 300, and Theresa Henchey competed in the high jump.

With the large number of rookies this year, next year's team, led by Co-Captains Karen Spires and Maura Tobin, looks promising. We would like to thank Coach Cleary (we missed you while you were gone!) and Ms. McBride, who were always there to encourage us.

Girls Basketball

The Lady Hornets qualified for the state tournament for the third consecutive year by defeating arch rival Lynnfield 53-47 in overtime. The 1989-1990 team compiled a 13-7 record led by senior co-captains Dana Campaniello and Susan Hayes.

The highlight of the season was the defeat of Saugus, 43-37, in the first round of the tournament. This game had special meaning avenging last year's playoff loss.

The team would like to thank all their dedicated fans for their support game after game. A special thanks goes to the McCabe's, Mawn's, Senior's, and Hayes' for hosting this year's "pasta parties."

Boy's Basketball

The 1989-1990 boy's basketball team had a great season this year. The team placed second in the Cape Ann League Division I with a 13-5 record. Their regular season record was an impressive 15-5. The two non-league wins came in the North Reading Holiday tournament. The cagers beat Lynnfield and Triton to win the tournament.

In post season play the team went two rounds. The first round was against a very tough Lynn Classical team. The Hornets pulled off the upset with a 62-52 win. In the second round, the Hornets had to play a strong Greater Lawrence team. The game was a heartbreaking one point loss, the final score being 59-58 in favor of the Reggies.

Cheerleading

The 1989-1990 cheerleading season came with a few surprises for us. Despite starting off with a few problems, we pulled together and overcame them.

We enjoyed cheering for the basketball team and were excited that they made it to the States. A few of us were, however, almost injured by the referees while doing our specialties.

After many long, hard practices and endless tries with the flip mount, we were chosen as the runners-up in our competition. We were given second place as a result of being .25 points behind North Andover. (Too bad, Pentucket!) It was a great accomplishment for us.

We wish next year's squad the best of luck against North Andover, but if you don't beat them, "Just blame it on the rain!"

Hockey

The final buzzer has sounded for the phenominally successful 1989-1990 hockey team. With a record of 7-1 in Cape Ann Small, the Hornet icemen accomplished far more than was expected of them. They clinched a playoff birth two games from the end of the season, as well as taking 2nd place in the league. This was achieved for the first time since 1982. The highlight of the season was the fall of League Champs, the Lynnfield Pioneers to the wrath of the well oiled Hornet machine 5-3.

This season's success was due to the hard work of all members of the team. All-Star Kurt Jones and All-Star Asst. Captains Brendan Thirkell and Dave Brown led the team's scoring. Additional offense in times of need was often found at the hands of All-League Capt. Geoff Neiley. Despite a late season injury Dave Santiano was ready to skate. First year player Brian Bilowz added to the morale of the team. Brian Magnani and Asst. Capt. Jim Calvino aided the team on defense. Success could not have been attained without Jr. All-League defenseman Chris Kido, Jr. overall Cape Ann All-League goalie Kevin Ring, or the loyalty of team managers Brian Williamson and Doug Priest.

This year was a big success for the Hornet grapplers. Head coach Eric Johnson received "kudos" from his peers by reeling in Coach of the Year honors. Returning all of last year's line-up with the exception of one, the matmen won the Cape Ann League Open to avenge their second place finish in the league — the first time in North Reading's wrestling career.

The team shined when it counted the most, the end of the season. Seven of the thirteen wrestlers placed in the Division II North Sectionals to advance to the State round. Rich DeStefano placed second in the States to proceed on to the New Englands; only the second wrestler in "Bubba" John's coaching career.

Not one individual pulled all the weight, it was a team effort by seniors, juniors, and sophomores. With a lot of returning wrestlers, next year's team should be very successful as well.

Marching Band

Though this was the smallest band we ever had, it was far from disappointing. Back in August, things were looking grim at band camp, but with hard work and constant support we were able to get our act together before the competitions began.

Our only two trumpeters, Geoff Neiley and Kevin Pouche, were outstanding all season. Seniors Kevin Murphy and Dave Shapleigh kept Steve, Alison and the rest of the drummers in time. Drum majors Christine Sampson and Kara Chabot kept Aaron and the rest in step, while Doreen Cameron kept colorguard under control.

Not only did we win the first competition ever held at home, but we went on to become 1989 NESBA Division I Champions, capturing Best Percussion and Best Colorquard trophies to boot.

Of course we could not have done it without the constant support of Bob, Mark, Laura, Frank, and especially Mr. Weisse.

Thanks to everyone for all your support.

CHORUS

The high school chorus of 1989-1990 was the smallest group to perform in years, yet the twelve girls that made up this chorus pulled through under many adverse conditions, such as renovations to the music room, a limited supply of all-female voice music, and a lack of Chloraceptic. Mr. Weisse encouraged and prodded us so that we could equal the quality of a larger group, and we did.

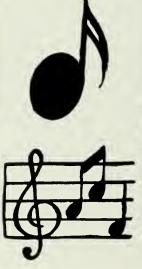

The types of music we sang varied from sacred to secular, classical to modern. All of the students urged each other on, and there was a closeness among us that kept us going when we wanted to give up. We proved that quality does not necessarily come from quantity. Thank you guys, for being so good.

CONCERT BAND

The 1989-1990 school year turned out to be an eventful one for band members. Things looked rather bleak at the beginning. The band room was being renovated

and everyone had to move into the auditorium. It was crowded and was difficult to adapt to this new environment. Because of the lack of space, people were moved constantly.

With all the equipment on stage, there was some doubt as to whether or not our annual Christmas concert would be a success. The problems were overcome, however, and the concert was a big hit.

In January, everyone moved into the new (and improved) band room. After looking at the new sound-proof practice rooms and seeing the giant speakers mounted on the walls, it was difficult to be unimpressed. Once again, there was some difficulty in adjusting to a new environment, but life IS change — in this particular case, a change for the better.

A tribute to the 80's

In the span of ten years, Earth, as a planet and as a group of nations, has gone through many changes, major and minor. As this decade comes to a close, memories come back of events that were or seemed to be important, of people we knew and of those we didn't. An interesting twist to a review is an alphabetical list of events and people, and anyone can see that, from A-Z, we've done just about everything.

Antarctica is explored; the issue of abortion is brought to the Supreme Court; AIDS; acid

The Berlin wall is broken; George Bush becomes president of the U.S.; Lucille Ball dies.

Students revolt in China; the space shuttle Challenger explodes, killing 7 people; cable is installed in North Reading (NR).

Space shuttle Discovery is launched; Mrs. Dickey dies; Bette Davis dies.

Earthquakes in Armenia, China, San Francisco, and New England; E.T. comes on home video; Exxon destroys the Alaskan environment.

France celebrates its bicentennial; Falkland Islands dispute; flag burning is banned.

Global warming; Glasnost; Governor Dukakis goes for the presidency and comes in second.

Hurricanes Gloria and Hugo; High School renovations start; hostage crises; Ralph Hudson dies; home computers.

Iran-Contra affair.

Michael Jackson; "Jason" dies again; jeans (denim) 'war.'

Khomeni dies.

John Lennon is killed; "Live

Aid;" laser surgery.

McDonald's in Moscow; MTV; MacWong's comes and goes. Nintendo; Nancy says "No."

Olympics; Roy Orbison dies; ozone is hit by fluorocarbons.

Pizza Hut and Papa Gino's add to NR's growing list of pizza places; Picasso dies; punk.

Dan Quayle becomes Vice-President of the U.S.

Ronald Reagan is president for 8 years and is shot in an assassination attempt; Rocky movies.

South Africa slowly works toward freedom; the Statue of Liberty is repaired.

Donald Trump buys out the Eastern air shuttle; terrorists; Trivial Pursuit.

U.S.S.R. goes under leadership of Gorbachev; U.S.-U.S.S.R.: Cold War begins to thaw; "Up with People" visits NR; Uranus is researched.

Valley girls; video games; VCR's; Voyager II explores space.

Wall Street panic; Lech Walesa; Andy Warhol dies; John Wayne

Xavier Roberts markets Cabbage Patch Kids.

One-fourth of Yellowstone National Park is consumed by fire; Yuppies.

Senior Nightmares

To every senior boy or girl there are numerous things that cause us to lose sleep at night. These are just a taste of the situations we fondly refer to as ... Senior Nightmares!!!

- Putting off sending in college applications until we realize that the deadline for sending them all in is tomorrow.
- Not graduating due to a lack of phys. ed. credits.
- Useless and tedious homework assigned solely for the purpose of taking up time.
- Talent show, varsity sports events and other extracurricular activities all fall on the same night and at the same time.
- The last chance you have to take your S.A.T.'s is this Saturday and the skiing is great.
- Receiving rejection letters from all the colleges to which you applied on the same day.
- You ask out a sophomore and he/she rejects you.
- Or if they say yes, they dump you.
- Not being able to attend the Senior Prom because you forgot about the school handbook rule concerning attendance for that day.
- Heading off to college with \$100 in your savings account.
- Getting accepted in the second quarter to the school you most want to attend, but you still have to go through three more grueling quarters here
- It's the day before graduation and you drown in one of the buckets that are in the hall to catch the leaking water.
- Not turning in your memories in time and you get the generic school memory instead.
- Not turning in your professional class picture by the deadline and in its place is a hallway mugshot.
- Having the same language teacher for three years.
- Taking a blow off course because the teacher is easy, but on the first day of class you find the teacher has changed.

What's Hot

What's Not

New Construction

After years of planning, the \$6.75 million renovations of the High School finally began this year. The school was somewhat chaotic during our last year here. The "ramp" corridor was blocked off, the climate of A & B wings was even colder than usual, and asbestos warning signs were plastered over every inch of available space. As we witnessed our school being ripped apart, we began to consider what the construction could do to (or for) us. When asked their opinions concerning the renovations, these were some common replies:

- "It's a good excuse to be late for class."
- "It's not really a problem because it has to be done. I'd rather have it done now than in another 10 years."
- "The noise makes it hard for teachers to stay on the subject, so we don't get homework."
- "I'm more concerned about getting cancer walking by the girl's B-wing lav."
- "I have asbestos on me! Stay away, I'm contaminated! I have asbestos on me!"
- "Well ... I guess the cold air keeps me awake."
- "Just tear the whole school down. It would be easier."

Well, we survived the renovations. And while it was one of our favorite topics of complaint, we learned to live with it and look on the bright side. Our class will remember the High School the way it was and the way it is going to be. Thanks NRHS, we'll miss you.

and Renovation

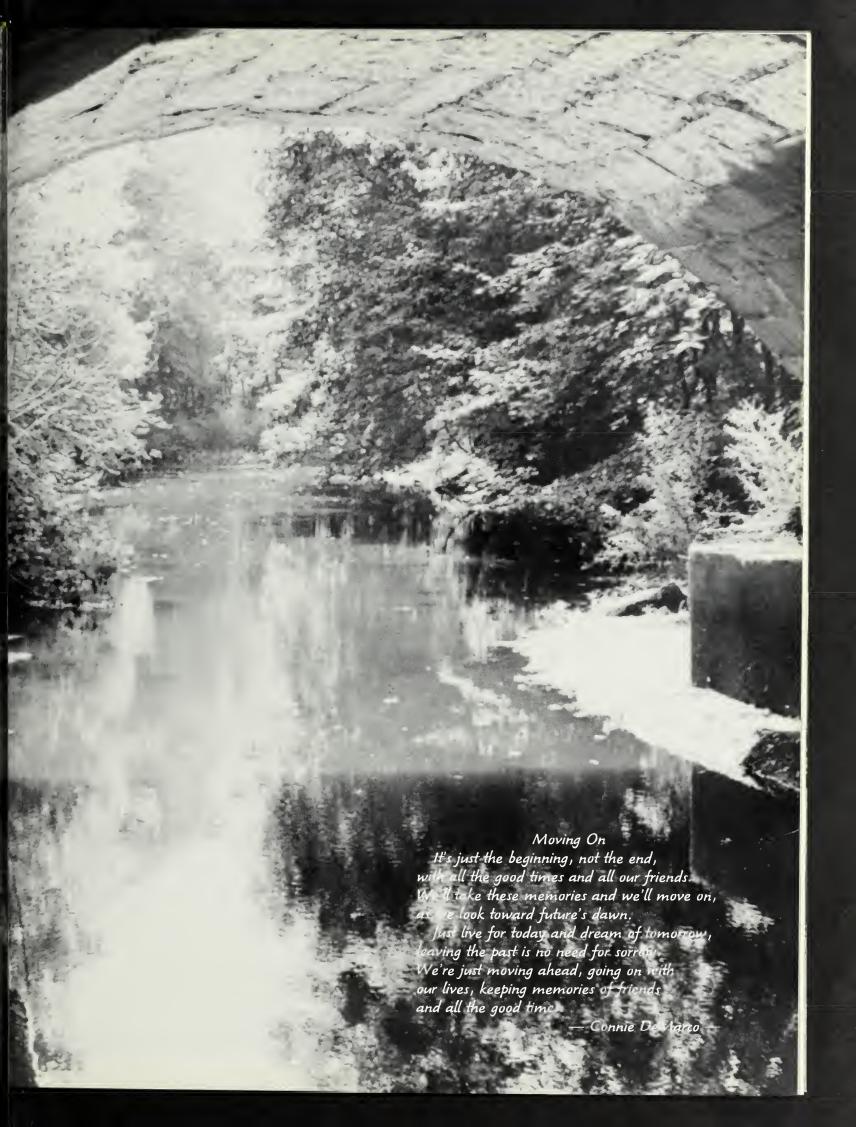

I am following a road with an unknown destination.
I have no mup, only an understanding of the
things I have been taught. The road is straight or so it seems. But that is only a mirage. Looking back I can only see what can be recalled. It is a road of decisions and problems, and in its entirety it is the road of life. Cheryl M. Lundgren

nevitably, the time has come for us to move on in our lives. Together we have grown and become individuals, but now we will each set out upon our separate paths to fulfill our hopes and dreams. All of us, the dreamers, the leaders, the lovers and the survivors will be able to look back on these years and remember the happiness, sorrow and friendships that we shared. Those memories will always be in our hearts and our minds wherever our lives may lead. And so, at graduation, we will bid adieu to North Reading High, but to each other we will never say goodbye.

NOBODY'S PERFECT.

When you make millions and millions of pairs of the world's finest athletic shoes as we do at Converse, you're bound to make a few boo boo's. A missed stitch here. A little skuff mark there. A tiny dab of glue that our quality inspectors get sticky about.

Nothing that in any way affects the performance of our shoes (in fact, most of the blemishes are so slight, you're going to have to look closely just to find them.) But standards are standards.

So, regretfully, every month we ship cases and cases of almost perfectly good basketball, football, tennis and running shoes to our Converse Factory Outlets and sell them at tremendous savings. All because, as good as we are at making athletic shoes, we're still not perfect. Aren't you glad?

Dear Heather,
"The wonderful thing about tiggers,
is that tiggers are wonderful things, their tails are made out of rubber, and their bottoms are made out of springs!"

From a bouncing baby girl to a lovely bouncy young woman. We've been proud of you every step of the way.
